

# 2017 CITIZEN'S CHARTER

A guide on key Municipal Government Services

*We, the officials and employees of the municipality of Dinalupihan, Bataan do hereby commit ourselves to abide by the Service Standards as set forth by this Charter, to serve our clients with outmost dedication, professionalism, honesty and integrity in the fulfillment of our local government's vision of a progressive and orderly community.*

*Message*

It is with great pride and humble honor that I extend my heartfelt thanks and felicitation to congratulate sincerely the workforce of the Local Government Unit (LGU) of Dinalupihan, Bataan for making the Citizen's Charter which will certainly serve as a mechanism to ensure transparency and accountability in the delivery of frontline services to the people by the government.

The Department of the Interior and Local Government (DILG) and the Civil Service Commission (CSC) as the prime movers of the government's Anti-Red Tape Program pursuant to R.A. 9485 encourage and highly recommend LGUs to focus on the simplification of initial regulatory systems for easy access and responsive to the present needs towards optimum growth and development of the town and its people in terms of basic needs and economic upliftment. The installation and identification of frontline services thru the One-Stop Shop or easily identified flow chart and simplified procedures will ensure transparency and accountability, reduce processing time and rationalize documentary requirements as well as accessibility to information and cost.

The municipality of Dinalupihan, Bataan with this simple achievement has set another standard in local governance beneficial to our many clients. It is my hope and inspiration that all of us in the LGU staff and employees will continue to infuse new and innovative ideas as you pursue various programs and projects for our town. May our effort of continued struggle as partner towards global excellence and economic progress be provided to our people with efficiency and quality service.

God Bless Us All. Mabuhay ang Dinalupihan.
